

社長序

本刊為國內當前唯一以「軍事社會科學」為名之學術期刊，亦是國人瞭解軍事社會科學領域的重要橋樑，更肩負著啟迪國軍戰略思想、創新政治作戰思維、引領軍事教育發展、及促進軍文學術交流之重要使命。

因此，本人特別指示編輯團隊務必要秉持用心、細心、專心、熱心及耐心等五星級的辦刊態度，並敦請審查委員們仔細評閱與嚴格把關，最後再透過編務會議的討論，集思廣益，進而刊登具有創見、影響力及貢獻度之研究論文，歡迎各位學術同好多加運用與分享。

本刊已傳承 16 載，仰仗諸多前輩們審慎擘劃，方有今日成果，未來我們將持續朝著「擴大學術影響力」、「加速知識傳播效益」、及「收錄於核心期刊」等目標邁進，以增益國人投入軍事領域的研究風氣，展現本校成為國內軍事社會科學領域之領導地位的決心；最後，本人衷心期盼各位先進、專家、學者繼續給予支持與鼓勵。

From the Director

This journal is currently the nation's only academic one under the name of "Military Social Science". It is also an important bridge for people to understand the field of military social sciences, responsible for enlightening military strategic thinking, innovating political warfare concept, leading the development of military education, and promoting civil-military academic exchanges.

Therefore, I specifically instruct the editorial board to uphold an earnest attitude of attentiveness, consideration, concentration, enthusiasm and patience, and urge the review board to carefully review and strictly control before submitting to editorial meeting for discussion. Drawing on collective wisdom, we publish papers with originality, influence and devotion. Application and sharing of this journal are highly welcomed.

This journal has been published for 16 years, relying on the circumspection of predecessors to achieve today's result. In the future, we will continue to move towards the goals of "extending academic influence", "maximizing the effectiveness of knowledge", and "being included in the list of core journals" in order to improve research atmosphere on military affairs, and demonstrate our determination to lead in military and social sciences within the nation. Finally, I sincerely hope that all readers will continue to give us support and encouragement.
